Jefferson, WI 53549

December 3rd Meeting

We are excited to announce December's **special guest: Greg David, member of the Jefferson County Board and President of Sustain Jefferson.** Sustain Jefferson assists companies, non-profit organizations, individuals and municipalities in and around Jefferson County with their transition to an ecologically, socially and economically sustainable future. Sustainable development is defined as balancing the fulfillment of human needs with the protection of the natural environment so that these needs can be met not only in the present but in the indefinite future.

Over the next two months, we will be voting on two items. In our December meeting, we will be voting to renew our lease in our current location.

Due to family concerns, Fran Vandre has resigned as Secretary. A vote of the Executive Board was taken to appoint Laura Payne as acting secretary. At our January meeting we will have a special election to vote on a new Secretary. Laura Payne has agreed to run for the position.

Laura has been doing our newsletter for the past year and is a logical (and wonderful!) candidate for the position. Getting all the information from the meeting minutes into our newsletter is something she has been doing on a regular basis. Laura also handles all of our press releases and is in almost daily contact with the Executive Board on pressing party issues and events. Others interested in running for the position, please let Anne Johnson (608/576-0498) know so we can add your name to the ballot. Nominations can also be made from the floor at the January meeting.

We are very grateful for Fran's diligent work as Secretary this past year. Our thoughts and prayers go out to her and her family.
